## Leonard Cleanable Refrigerator

\*\*\*

You don't have to lift out the whole ice box to clean it, as in some kinds. Its movable flues make it the easiest refrigerator in the world to clean. And it has numerous other superior features, including its eight walls and its air-tight locks. The ice rack is made entirely of galvanized iron and the shelves are adjustable to any height. Made of SOLID OAK or ASH with panels of quarter-sawn oak and in the latest and most costly style of ornamentation the LEONARD is the Handsomest Refrigerator on the Market, and IT LASTS LONGEST.

### NINE YACHTS HAVE ENTERED TRANS-PACIFIC RACE

The directors of the Hawaiian Yacht Club met at the offices of Commodore H. E. Cooper last evening to discuss the prospects of the Trans-Pacific Yacht race for this year.

It is the idea of the officers to either buy a representative yacht that has been already constructed or to have one built according to their wishes. At present they have the Bonita, a 56-foot schooner-rigged yacht, in mind. The Bonita belongs to one Mr. Stimpson, a banker in Seattle. The yacht can be purchased for the sum of \$8,000.

Those interested figure that this venture will cost \$10,000 or thereabouts and they intend to secure the money through subscription. It is estimated that the two yachts that came here last year left \$3000 behind. Up to the present time nine yachts have entered the coming race and basing upon the expenditure of the first two these nine would leave in Honolulu \$27,000. It looks as though it would be a business proposition for the business community of Honolulu to give this project all the assistance in their power, not only for the money that is spent by the visiting yachtsmen but the world-wide advertising that these islands would get through such an event.

Commodore Cooper was given the authority last evening to appoint a committee of five persons from the following suggested names. This committee will have full power to take this project in hand and carry it through according to their ideas. Those suggested were: L. A. Thurston, C. T. Wilder, Robert Shingle, Albert Waterhouse, Sam Parker, W. H. McInerney, Admiral Beckley and S. P. Dole.

Out of the nine yachts entered two of them are English craft from Vancouver.

### SWIMMERS TRIED OUT

The Y. M. C. A. had all of their fast swimmers on hand last night at the Hotel Baths and swam against time to see who would qualify for the finals which will take place on the 1st day of June.

As was expected, L. Cunha carried off first honors but he did not swim up to his usual standard and was out of shape. C. Oss showed much improvement and swam the 25 in fast time.

No one broke any records in the plunges as will be shown below.

Medals have been offered for the various events in the finals and some good swimming should result.

Following is last night's results:

25-yard Dash—1. Carl Oss, 13.3; 2. Laurence Cunha, 13.4; 3. Frank Bechert, 15.0; 4. Laurence A. Kerr, 15.0.

50-yard Dash—1. L. Cunha, 29.1; 2. Carl Oss, 29.4; 3. G. C. Bechert, 32.2; 4. L. A. Kerr, 33.2.

100-yard Dash—1. L. Cunha, 1:14.0; 2. L. A. Kerr, 1:15.3; 3. F. F. Bechert, 1:22.0; 4. J. P. Honan, 1:29.0.

Plunge for Distance—1. F. F. Bechert, 40 ft. 6 1/2 in.; 2. L. Spaulding, 40 ft. 1 1/2 in.; 3. Paul O. Schmidt, 39 ft. 9 in.; 4. G. C. Bechert, 36 ft. 4 in.; 5. L. A. Kerr, 34 ft. 9 1/2 in.

The above have qualified for the finals, which take place June 1 at the Hotel Baths. They will swim for the Y. M. C. A. medals—1st, gold; 2nd, silver; 3rd, bronze.

### JAPS PROTEST

It is claimed that the Japs are up-to-date people and they certainly proved it by filing a protest in the Riverside Baseball League.

They claim that Mr. Umpire was unfair in his decisions during their game against the Chinese last Sunday. Everyone knows how the rules read in regard to an umpire's decisions and consequently you know what grounds the Japs have to protest on. They can not make it stick.

### COMMITTEE APPOINTED

The Myrtle Boat Club has appointed the following committee who will confer with the Heanani Committee and the Hotel Baths in regard to pulling on the water carnival at the Hotel Baths on Fourth of July morning.

It is the intention of the Boat clubs to pull off a championship meet in which prizes will be offered for each event.

This card will be substituted for the boat races that have been annually held at Pearl Harbor.

### THE GOVERNOR'S CUP

The following rules and regulations have been mailed to the Hawaiian Yacht club by the Regatta committee: Honolulu, T. H., May 20, 1907.

The regatta committee of the Hawaii Yacht Club has set aside Saturday, June 22, 1907, as the date to hold the around-the-island race for the Governor Carter trophy. The committee have further decided to hold the triangle race to leeward of Honolulu, for the Admiral Beckley trophy, on Sunday, June 16, 1907.

These events are being run at these close dates so as to save expense to yacht owners of double cleaning and scraping.

The conditions governing the Governor Carter trophy are as follows:

No restrictions as to sails.  
Regular lights as per U. S. Marine Regulations must be carried and burned.

Life boat must be on deck.  
Handicaps to be declared.  
All yachts are requested to assemble at Bishop's wharf near marine railway, on afternoon of starting.

Race to start at 2 p. m., June 22, 1907.

## HALEIWA TRIP PLANS

The plans for the Haleiwa trip of the Congressional party have been changed so that they now are as follows: Leave Honolulu Tuesday at 9:30 a. m. in a special train for Waialeale, where the pineapple fields and afterwards the Lilelele military reservation will be inspected. Thence the party will go to Haleiwa in automobiles and rigs, arriving there at about 4 p. m. At the hotel a banquet will be served on the American style, and the party will stay there until 10 o'clock the next morning, when it will be taken to Honolulu in a special train, stopping on the way at Sisal, where the sisal plantation will be inspected.
